

Visiting Park Signalling

These instructions are designed to enable you to gain the maximum benefit from your visit to Park Signalling.

Getting Here

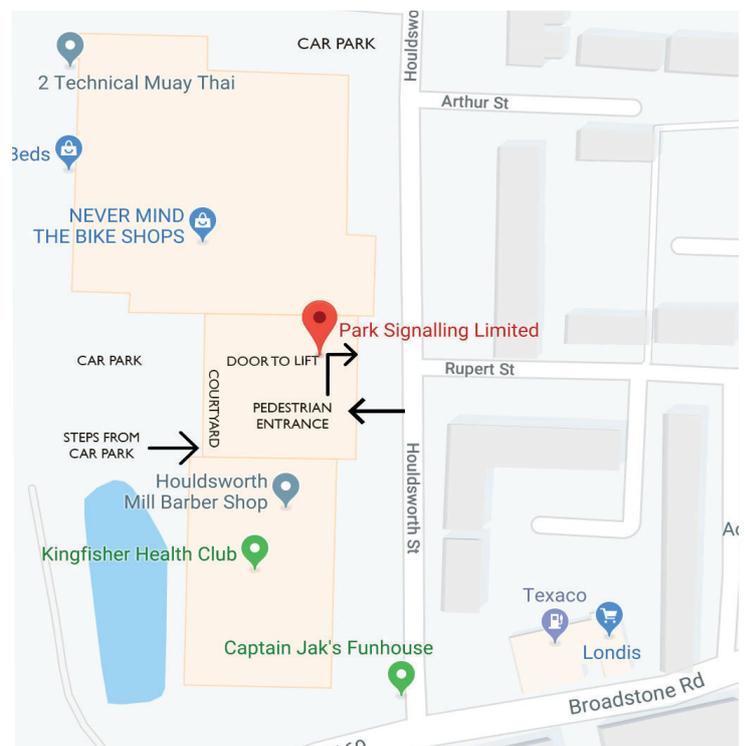

Park Signalling is situated on the 3rd floor of Houldsworth Mill on Houldsworth Street in Reddish, Stockport, Greater Manchester. Our postcode is SK5 6DA.

When you arrive, Houldsworth Mill car park can be found to the side and behind of the Mill as seen in the map. There are steps from the car park to the courtyard or alternatively you can access the courtyard from the front of the Mill on Houldsworth Street.

In the courtyard, you will see the door to the lift and stairs to the far end.

When you reach the 3rd floor of Houldsworth Mill, you will see Park Signalling signposted on the stairwell. Please press the buzzer to gain access and a member of the Park Signalling team will greet you in the reception area.

If you intend to arrive by train the nearest railway stations are Reddish South and the main Stockport Station.

Welfare

There is a kitchen and microwave oven on site. Hot drinks and cold water are freely available.

There are plenty of toilets and one disabled toilet available.

The site has a number of qualified first aiders who provide first response capability and there is also an AED with trained operators available.

Fire Safety

Park Signalling has a strict policy on smoking including the use of E-Cigarettes, your host will show you where the designated smoking areas are located.

If the fire alarm sounds your host will take you to the nominated assembly point.

Photography

Please ask your host before taking photographs while on site.

Contact Details

Please inform your host as soon as possible of any special requirements or requests you would like to make your visit as comfortable and informative as possible. Your host will provide you with their contact details and the generic company contact details are:

T: +44 (0)161 219 0161
E: sales@park-signalling.co.uk
www.park-signalling.co.uk

We want everyone to get home safely every night and to do so in a way which doesn't have a negative impact on our environment.

You must play your part in this by acting with due regard for the safety of yourself and others and by reporting any hazards you encounter.
